

Management and Organizational Behavior

Spring 2020

Assignment 3

Due Date: 2nd May 2020 – Submit on SLATE

Answer the following question based on the part of Peopleware that we have studied in class. Answer should be no more than one and a half page, using this document as the template for margins, font size, line spacing etc. Summarize your answer to fit in the specified limit but use full sentences (not bullet points) to demonstrate your understanding of the concepts. You do not have to mention all points, mention those which are important in your opinion/experience. **Write in your own words, any copying from other students or elsewhere may result in an F grade.**

1. What are jelled teams? What can managers do to help teams jell and what things prevent teams from jelling that managers should avoid.
