Computer Networks – Fall 2020
Assignment # 1

Due Date: *25/09/2020*
Time: *5 pm*

You may be called for evaluation of this assignment and you will have to justify your solutions before the course instructors and the TA. Failure to justify your answers will result in negative marks. Severity of the plagiarism can result in F as well.

Use Computer Networking - A Top-Down Approach 6th Edition for this assignment

1. Solve the following problems from the back of **Chapter 1** and submit your solutions on google classroom. [You can provide scanned copy of your hand written work if you find it feasible, however, no hardcopy will be accepted because of potential spread of Covid-19]. Wherever you are required to run the applet, you have to provide the screenshot of the results along with the explanation.
