Survey Paper (Data Science term Project):

Weightage: 10% absolute

Each group will write a survey paper on the selected topic.

Deadline for Title and Group submission: **March 18, 2019**

Deadline for Final Report: **May 07, 2019**

Survey Paper Requirements:

- Each group can have maximum 3 students. (You have to write at least 5 pages per person)
- You need to cover around 20 to 25 main research papers.
- In group, minimum number of pages for Survey should be 15. (If you want to work alone, you have to write at least 10 pages).

Note:
- Turnitin will be used to check the plagiarism (Similarity shouldn't be more than 15 % including References etc.).
- You will be penalized based on Turinitin report and the quality of the survey.
- Try to write the survey in such a way that it can be published to some average Journal.
- Each individual member will mention his part of work.

Try to search the topic which doesn't have any recent survey (it means we don't find any survey paper on that particular topic in last let say 6 to 10 years or so)
